*No gift
touches more lives.*

No gift touches more Jewish lives than your gift to the Milwaukee Jewish Federation. You support the Jewish organizations and services you care about and others you didn't even know existed but are doing a world of good.

And, your gift joins thousands of other gifts, making the kind of impact you just can't make on your own. It's the power of collective action, and that's what Federation is all about.

Responding to need

Whether it's a struggling teen here in Milwaukee, missiles raining down on Israel's south or a violent conflict in Ukraine, we're there when we are needed most. Our network of local and international partners enables us to respond to everyday needs and to emergency needs during times of crisis.

OUR IMPACT

- Served more than 37,600 clients at the Jewish Community Food Pantry
- Provided 8,000 outpatient mental health counseling sessions in Milwaukee
- Provided food, medicine, shelter and other services to more than 30,000 elderly Jews and 4,600 children in Ukraine

Building Jewish identity

Through opportunities for strengthening Jewish identity and building leadership skills, we're helping to ensure a strong Jewish future. We educate students and their teachers, provide Jewish experiences through BBYO and Hillel, and train young Jewish leaders who will guide us into the future.

OUR IMPACT

- Engaged nearly 500 students with Jewish youth groups
- Educated almost 900 children in Jewish day schools (PK-8)
- Provided 9,000 Shabbat dinners to college students

Pursuing a just world

Federation is a bridge to the community at large, forging connections with faith, ethnic and community groups to promote religious freedom, tolerance and understanding. We also represent you in Madison and in Washington, D.C. by advocating for issues of importance to our local Jewish community.

OUR IMPACT

- Trained 250 students to advocate for Israel and to confront anti-Semitism on campus
- Responded to anti-Semitic incidents, which continue to rise annually
- Taught the lessons of the Holocaust to more than 21,400 people

WHY FEDERATION?

- We're always looking at the big picture to ensure we're investing dollars where they are needed most.
- We safeguard your investment by evaluating the finances, programming and governance of our partners.
- We address community-wide needs like improving security and building endowments for the future.
- Federation is always prepared for emergencies – at home or anywhere in the world.

Federation helps meet our community's financial needs today through our Annual Campaign and tomorrow's needs through our Jewish Community Foundation.

Connecting with Israel

The Federation's Israel Center brings Israel to Milwaukee through our Israel emissaries (Shlichim, Shin Shinim and Israel Campus Fellows) through cultural and educational programs, and through visits from Israeli delegations.
