** team leaders

Summary of ideas discussed

Help Jews navigate the maze of Jewish religious, educational, social + political organizations

Gather info about all "points of entry", connect people to their personally preferred service - holiday celebrations, shabbat dining/celebrations, study, social service org, advocacy orgs

Remove barriers, need intimate understanding of all providers/orgs

Be prepared with aggregated info about agencies + organizations, formal + informal

Serve as a "welcome" to Jewish Milwaukee to help with service providers in Jewish community

AND for home improvement + non Jewish community schools; match new arrivals with community volunteer "mentors"

Also keep antennae up to direct Shalom Baby to families with new babies, who will also offer services of Jewish Concierge

PAID position - seed funding from community body or foundation; eventually: professional service providers with pay to advertise + fund the position

Must be a neutral community person

Located in major Jewish facility for walk in business in addition to online/facebook + call in

Actions

* in house "Angie's List"

- create mission statement + define the job

- develop lay community: refine ideas, provide guidance + eventually supervision of the pd. professional

- collaborate with an agency to house the office

- secure funding to start the position with intent of self reliance

- hire

- research the community orgs.
