

I am a sophomore at Homestead High School, a curler, a member of Eden (BBYO chapter), and a recipient of a scholarship from the Milwaukee Jewish Federation's Jewish Community Foundation. My scholarship made it possible for me to attend the BBYO Chapter Leadership Training Conference, which helped me develop my leadership skills and reinforced my passion for Judaism. The Shabbat and Havdalah services at CLTC were some of the best experiences of my life. Singing and hanging out with people I just met but are just like me reinforced why Jewish traditions are so important. I'm grateful for the scholarship because I know it changed my life.
