

## Rosh Hashanah Apple Honey Placemat

### Materials (per child)

1. One 12"x18" piece of construction paper
2. One 6"x6" piece of red construction paper
3. One 6"x6" piece of yellow or gold construction paper
4. Sticky tape (5")

### Instructions

1. Enlarge the pattern page to ledger size.
2. Cut stencils according to printed directions on pattern page.
3. Put glue (glue stick works best) along the edges of the construction paper square and affix to the back of the stencil so that the construction paper covers the stencil opening (apple on red, honey on yellow or gold).
4. Draw outline of honey bottle in black.
5. Draw stem and leaf on apple.
6. Paste two pictures side by side, on background paper.
7. Border the pictures with sticky tape.
8. Add blessings to top and bottom. (Optional: Cut strips out using pinking shears.)
9. Decorate sticky tape with markers or crayons.
10. Laminate or cover the completed placemat with clear contact paper.
