

SHABBAT LACING CARDS (1)

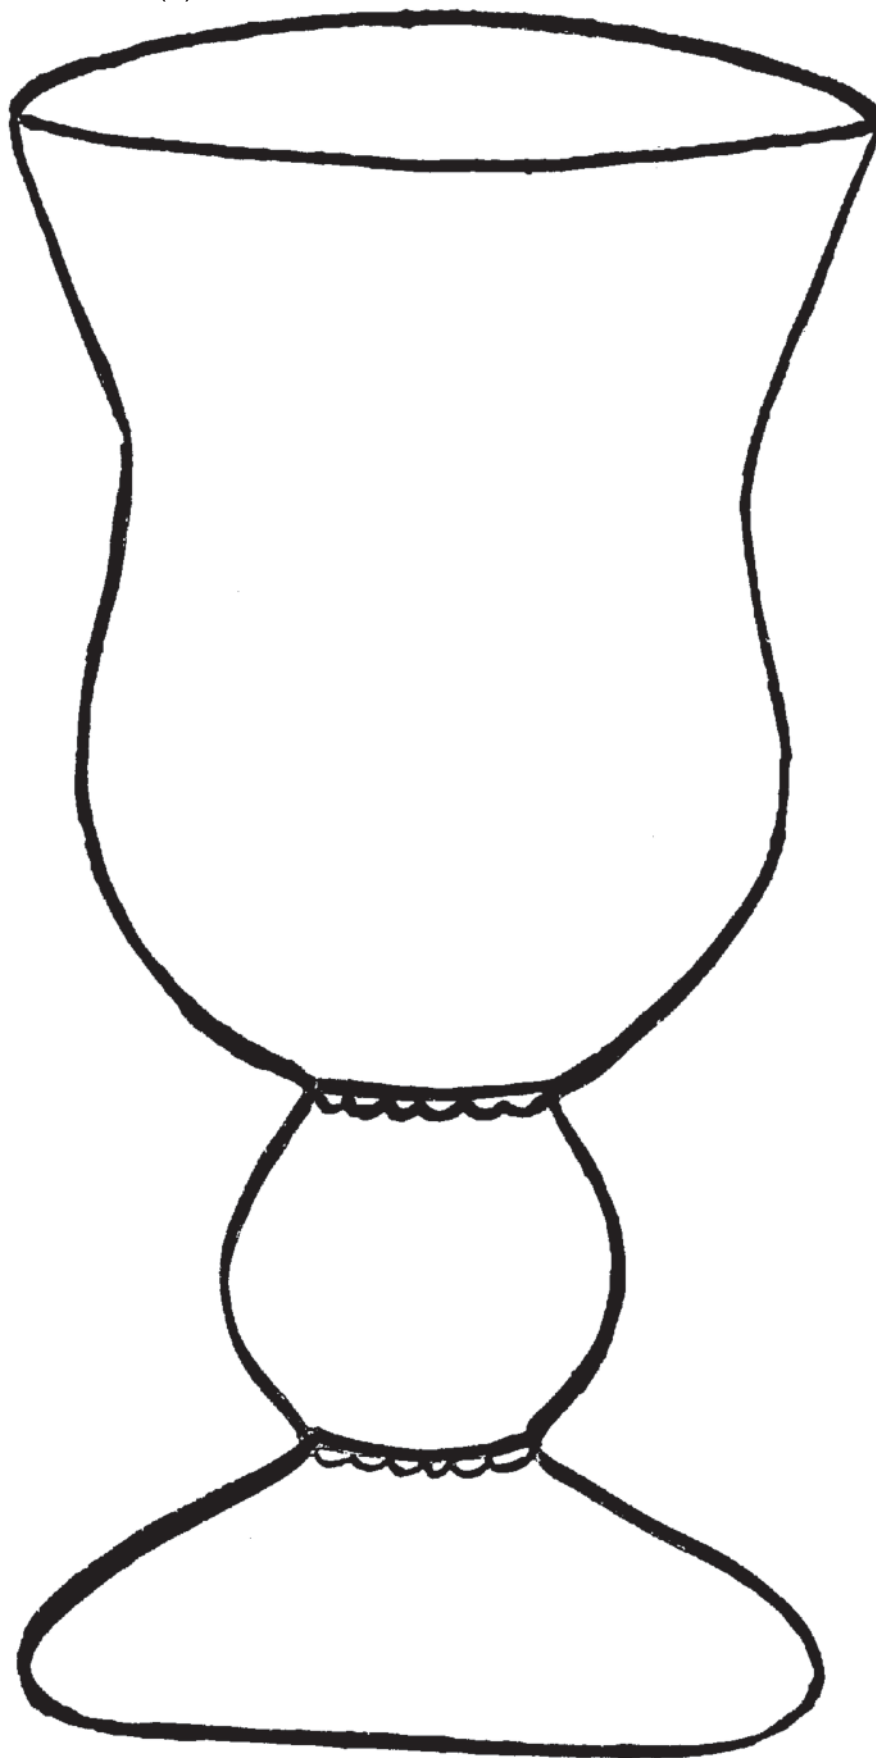

Directions:

1. Trace patterns of your choice (Kiddush cup, challah, candlesticks, and wine bottle) onto tagboard.
2. Add features.
3. Cut out.
4. Laminate.
5. Punch holes around the border.
6. Cut a piece of yarn for "sewing."
7. Attach scotch tape around one end of the yarn to "stiffen" it. This will allow the yarn to be more easily put through the holes.
