

When I hear of Juddah the Maccabee
When the *menorah* in the window I see
When the *dreidel* we all do spin
When we look for the *gimel* to win
When I sing "*Ma'oz Tzur*"
When the nights I count, "One, two, three, four"
When Grandfather gives *gelt* to me
When presents all wrapped I can see
When the smell of *latkes* is in the air
When we say the candle-lighting prayer
When I eat just one more *latka*
Then I know it's HANUKKAH!

Directions:
