WE BUILD
COMMUNITY

WE CONVENE

The Milwaukee Jewish Federation stands at the center of Jewish life in our community, serving as a convener, connector, and catalyst. Guided by our promise As One, we are dedicated to the vitality, safety, and dignity of the Jewish people in Milwaukee, in Israel, and around the world. Together, we show up with courage and responsibility—building strong partnerships, leading with resolve, and investing in a vibrant Jewish future.

In 2026, we will unify annual giving, stewardship, and legacy commitments into one cohesive strategy for our cherished Jewish community—maximizing immediate impact while securing long-term sustainability. As the heart of Jewish philanthropy in Milwaukee, we are ready to safeguard our community, combat antisemitism, and strengthen Jewish life. As One, we will ensure our future—for each other, our children, and generations to come. Your donation to the Annual Campaign enables us to continue this vital work.
